### **Bill Welser, VP, called the meeting to order**

#### **Treasurer's Report:**

We started with \$1831.02, and paid \$1562.39 out for fence, tractor, septic, etc.  
We received \$500 in dues, so we are left with \$768.63 in the account.  
This meeting' lunch was hosted by Steve, and \$37.00 went to reimburse him. Final total = \$731.63

#### **Secretary's Report:**

The Secretary read the minutes from our last meeting, which are posted on our site.

#### **Old Business:**

##### **The Road:**

We discussed getting two loads of stone for the road, at \$220 each, from Grosso.  
Keith will bring in his tractor for this. This was brought up for vote and passed.

##### **Paid Members:**

We want to be sure all members who come fly are paid members, it is OK to ask, we need to support our club.

##### **The Grass:**

Gordy McCardy is still cutting the grass without anyone else helping. Of course we appreciate this, but we need some of us to take on grass mowing too. Gordy comes out at 6:15 in the morning, so be sure and check with him, as he may appreciate hearing someone else will help out before he starts.

#### **New Business:**

##### **Lunch:**

Steve will bring hot dogs again for the next meeting, he knows how to get our loyal friendship...

---

#### **Show and Tell:**

##### **RC Boat from China Top Win:**

Dave Bacon brought his "Apparition" boat, bought directly from the manufacturer for \$325, including shipping. He presented a package where we all could get one at that price or better, but we have to meet minimum order quantities of 12 to order direct from the factory. Hobby King also sells these in single quantities, but to complete the boat it would be about \$425 with shipping. Dave also showed a PowerPoint presentation with video, and all the related equipment for charging and spare parts support.

---

##### **50/50:**

The 50/50 was won by Pete, who took only \$5 of his half of the \$30, thanks, Pete!

---

##### **Next Meeting:** Bill Wesler planned on Oct 9th, but a recent letter from Jerry to all announced it was Oct 2, so we will see you there! **11:00 AM**, at the field. Jerry also said it would be the last meeting of the year.
