

Wolverines meeting 3/7/2011

The meeting was held at the Mt. Clemens Public Library
There were 14 members present.

President Jerry LeLacheur called the meeting to order.

Secretary's Report:

The Secretary read the minutes from our last meeting, which are posted on our site.
There was a correction to the financials, as noted by Glen Meller, Treasurer (It is fixed now)

Treasurer's Report:

Glen reported that we have 14 members paid up at the present time.
The balance last month was \$904.83, and this month was \$1020.83 we still need \$510.17 to pay all working expenses for 2011.
Also the AMA paperwork will be sent in, along with their fee.

Old Business:

The Other Field:

The issue of another field continued from the discussion last month. This land is located off of Broad Bridge and M59, but it is too close to this intersection, and therefore not useable for us.

Additionally, hang gliders land there, so there would be a difficult traffic situation.

Unpaid Members:

Jerry will contact the members that haven't renewed their membership yet this year. Les Brown has already responded he will renew.

New Business:

New AMA Ruling:

There is talk of a new ruling that may be of concern to us, possibly restricting unmanned aerial vehicles. We were all asked to join the write-in campaign to our congressmen.

50/50:

The 50/50 was won by Chuck Miller, adding \$23 to our finances.

Show and Tell:

Steve showed his giant White (??) Lazy-Bee, powered by just an OS 10. Steve may want to raise the power a bit before its first flight.

Dave Bacon showed his salad spinner that used a brushless motor, speed controller and a servo tester. It is equipped with a 2200 MAH LiPo battery, Dave claims he can spin the water out of a turnip...

Next Meeting:

Will be at the Library April 4th
