

## **Wolverines meeting 7/9/2011**

The meeting was held at the Wolverine's field  
There were 28 members present.

---

### **President Jerry LeLacheur called the meeting to order.**

#### **Secretary's Report:**

The Secretary read the minutes from our last meeting, which are posted on our site.

#### **Treasurer's Report:**

Glen reported that we have 6 new members.

The balance as of May 2 was \$1682.83, and projected expenses for the porta john, gas, and our lease are \$1751.03.

This leaves us \$774.03 after these projected expenses are paid.

The two reports were accepted by the membership.

---

### **General Discussion:**

---

#### **New Business:**

##### **Maintenance on our road:**

Keith's tractor is available for this - we will need help on Thursday.

Gravel for the road was \$220 last time we ordered it, so a motion was made by Steve to allow that amount again. Bob seconded the motion and the vote was unanimous to spend this on the road.

##### **Mowing:**

Jerry once again said that we all need to help with the mowing. If it needs it, just mow it. Gordy has been doing it mostly, and the rest of us need to give him some relief.

---

#### **50/50:**

The 50/50 was \$45, won by Keith, who donated it all back to the club, thanks!

#### **Show and Tell:**

Bob Kleba brought a free flight he is rebuilding, a 61" Comet Clipper. This came from his uncle Dan who started it in 1941, and flew it into the late 50's. It was done originally in yellow with red trim

Bob has stripped it & will recover it with silkspan or equivalent.

It had an ignition system with 2 D-cells and a coil. There were two motors; an OK Rocket, and an Ohlsson.

---

#### **Next Meeting:**

Will be at the Library at 7:00 PM.
