

## **Wolverines meeting 4/1/2013**

The meeting was held at the Mt. Clemens Public Library  
There were 10 members present. Donuts were provided by Dave B.

---

**The meeting was called to order at 7:00 by V.P. Bill Welser.**

---

### **Treasurer's Report:**

Glen Was off sick, so this will be read next meeting.

---

### **Secretary's Report:**

Dave read the Minutes from the March meeting, as posted on our web site, and that was accepted by the members.

---

### **General Discussion:**

---

#### **Old Business:**

##### **Grass Cutting:**

Gordy is still doing all the grass cutting. He would like some relief. Others had said that Gordy gets there very early and has it all done before anyone can volunteer to do it. Jerry L., Dave W, and Keith H. are all willing to cut whenever they can. We had 5 members at the meeting that can run the tractor.

This is still not resolved, we are considering making up a schedule.

---

#### **Cutting Paths in the Brush:**

Bill W. said we have \$400 allotted in our budget for renting the dozer to clear paths in the field. This gets us just 4 hours, and we are not sure how long this will take. He suggests we bump up the budget to \$500 allowing us to rent it over the weekend, and the owner says if we only use 4 hours, it will still be \$400.

A motion was made by Dave W., seconded by Keith H. and the motion passed by vote.

The dozer has an 8 foot blade, so it will cut (with the blade at an angle) a 6 foot wide path. Bill W. suggests we start down the West side, loop to the NE corner then cut 6 paths to the field.

We must remember there will be a huge amount of brush for us to handle, so we need workers!

---

#### **Mower Repair:**

Members felt that Jerry should not be doing this repair alone, so they will make sure they are called by Jerry before he leaves to do this.

---

#### **Porta-John Service:**

We will wait for our report from Glen.

---

#### **New Business:**

The field is wet, and we rarely can get in without leaving ruts until late April, so please be cautious. The road is much better now, but where it ends you must be very careful.

---

#### **50/50**

The amount was \$24, and won by Dave W., who gave \$5 right back to the club, Thanks Dave, the club made \$17.

---

#### **Show and Tell:**

Instead of show and tell there was a general discussion of planes the members are building. Pete has finished his twin he brought in last month, and Keith has flown his foam twin he brought in. It weighs around 8 oz and has two HK 2206 motors, so it has a power to weight ratio that is very high.

Keith also brought up the "Pre-Toledo" show that Horizon is putting on Wed at the Pontiac Ultimate Soccer Arena.

He also said that Toledo will have indoor flying Saturday evening starting at 5:00 PM in a high school auditorium.

---

#### **Next Meeting:**

May 6, 2013, We still have to settle who will bring donuts. This will be the last meeting this year at the Library.

---
