

Wolverines meeting 2/3/2014

This meeting was called to order by Jerry LeLacheur, at 7:00.
There were 7 members present.

Treasurer's Report:

Glen reported that we have a total of \$1235.17 on hand, which is \$720.83 short of what we need for 2014 operations. But 5 more members paid, so this was reduced to \$220.83 short.

Secretary's Report:

Dave read the minutes of the last meeting, and both reports were accepted by the membership.

General Discussion:

Old Business:

Dues:

We still need dues from our members. Dues are due 1st week in March, so we can plan our projects for the current year.

Maintenance:

Mowing is better done late in the afternoon, to avoid clumps.

Glen made up this year's mowing chart, Dave will distribute it asap.

Dave W & Bill W winterized the mowers and pulled the batteries, they will get them ready for mowing.

New Business:

AMA needed to fly:

Members need to get their AMA card before they can fly, as we cannot have a non AMA member on our field.

LiPo batteries:

Jerry related a story of a kid with a bunch of batteries, charging one with a non-balancing charger, which lit one end of the battery on fire at the Pontiac Ultimate Soccer Arena, luckily all got thrown out before doing damage.

Jerry also said that charging cold batteries can do this too.

50/50:

Jerry won and got \$10

Next Meeting:

April 7th at the Library.
