

Wolverines meeting 6/7/2014

This meeting was called to order by Bill Welser, at 11:00.

There were 22 members present, plus 2 new members. Greg & (my apology for the missing name...)

Treasurer's Report:

Glen reported that the funds at the end of April were \$2145.83. And we sold the gang mower for \$225, and 6 members paid. We bought stones for the road and spent money on mower repair. When all expenses are paid we will have \$217.63.

Secretary's Report:

Dave read the minutes from the last 2 meetings, as he recovered the lost one that should have been presented last meeting. All reports were approved by the membership.

General Discussion:

Old Business:

Maintenance:

Branches need to be cleared out of the road. Jerry has the use of a wood chipper for branches up to 2 1/2", but we have to go get it for the day we need it.

We need new pipe insulation for the starting stands, to protect the plane's wings from the upright wood retaining structure.

New Business:

No new business was discussed at this meeting, other than the maintenance items just covered under "old business".

50/50:

Was won by Joe, and the \$45 was split as: Joe - \$22, club - \$23.

Show and Tell:

We all were anxious to fly, so the meeting ended quickly.

Next Meeting:

Would have been June 7th, but that was postponed as it is part of the 4th of July weekend.
