This meeting was called to order by Jerry LeLacheur, at 7:30 pm, 9 members were present.

---

### **Treasurer's Report:**

There were no changes from the last meeting.

---

### **Secretary's Report:**

The secretary read the minutes of the last meeting, and they were accepted by the members.

---

## **General Discussion:**

---

### **Old Business:**

---

### **New Business:**

#### **Club Charter:**

AMA Charter must be submitted, cost is \$90. D. Bacon will do it, and get reimbursement from the club on the next meeting.

#### **New Members:**

Jerry talked of new members from Harson's Island, and Chuck Miller will place an ad in the Harson's Island Paper. Chuck talked of a friend there with some EDF planes.

#### **Field:**

Need volunteers for taking down the canopies, and need to remove two trees. Steve said he would cut them down, and we could use the wood for our bonfire. Craig G. volunteered to help.

#### **FAA:**

The FAA will require registration, due to the quad copter proliferation. Chuck said they were wanting to register the FPV aircraft. The question is should the FAA do the enforcement or the AMA?

Craig G. said the TX sends out a unique code, that could be recorded if someone was violating an airspace. He said each Tx has its own number that could be registered. We have until the 5th to submit comments to the FAA.

Chuck says the AMA has our regular numbers and could add other info to thier huge database. AMA could add a suffix to denote an FPV or Quad flier. This could be done at point of sale. collect the Tx ID code and send it to the AMA The FAA is not needed

### **50/50:**

The 50/50 was \$34, won by Larry Shivers.

---

### **Show and Tell:**

Nothing today.
