Funds were \$1955.09  
Expenditures were \$225.15 for gravel  
On hand is \$1729.94

---

### **Secretary's Report:**

Bill W. read notes he took from the November meeting, and provided them to Dave B. for archiving on the web page.

---

### **General Discussion:**

#### **Old Business:**

**Field:** A tree trimming crew of Tom V., Craig, Chris, Jerry Stocking, Paul, Dave W., and Bill, did a great job for us. Jerry thanks our members for the help, and handed out Prop Shop gift certificates to all. Thank you Jerry, very generous!

**Maintenance:** Dave W. and Bill W. winterized the 3 tractors, and took the batteries home to maintain their charge. They also fixed the fuel system on the smaller mower.

---

#### **New Business:**

**Membership:** Jerry reports that we have a new member, Trevor Trombly, a Junior Member, who lives in Algoniac. This brings our official membership to 9 so far for 2017, we had 20 for 2016. We show 12 will pay their dues for 2017, so after paying the field rent, we will have \$700 for operations.

**Dues:** We expect dues to be paid by March, and that way we can figure out the mowing schedule.

**Mowing Schedule:** Please give your preference for the mowing dates.

**New Plans:** It was asked if we should have a "Fly-In" this year, and the subject will be discussed at our next meeting.

**Exposure:** Should we have tables at the craft show, like we did last year? We will be considering this, as the exposure brings us new members, and we get to show off our planes.

---

#### **50/50:**

The 50/50 was won by Dave W. and he gave a portion back to the club, so it was; Dave \$10, Club \$21.

---

#### **Next Meeting:**

The next meeting will be Feb 6.
