

Wolverines meeting 2/6/2017

The meeting was held at the Mt Clemens Library, and called to order by Jerry at 7:00PM
There were 14 present.

Treasurer's Report:

Jerry read the treasurers' report,
Funds are now \$ 2394
After 2017 costs we will have about \$ 1200
We expect 6 more to re-join, raising that to about \$ 1800 to cover gas & mower repairs.
Jerry passed around a list of current paid members.

Secretary's Report:

Dave B. read the minutes from the last meeting, which are now posted on the web page.

General Discussion:

Old Business:

Field: Paul mentioned we need to fill a hole in the field, and Bill said the fill material is in his Son's yard.

New Business:

Membership: Trevor Trombly, our new Junior Member, was introduced by his Dad.

Fly-In: General opinion was that we wanted to host a fly-in this year, but Jerry pointed out that the last one costs us more than we took in. We spent over \$ 300 for the raffle, and didn't make it back.

The biggest problem we had was getting people to run the event.

We discussed the best day, it was decided Sunday would be the best, maybe start around noon.

It would be open to the East Wings, Eagles, PropBusters, & RCCD.

Parking needs to be organized also.

We could hand out flyers at the Pontiac Soccer Arena, which operates 11 AM to 1 PM on Tuesdays. Dave Bacon volunteered to print the flyers, but needs to know how we want them to look. We could hand these out in March.

The date we decided on would be the end of July, to be settled next meeting. So come to the meeting ready to say what you want to do; cook, parking, etc.

Marv was voted in as a honorary. non-paying member

50/50:

The 50/50 was won by Trevor, who gave \$10 back to the club to total \$31 the club got.

Jerry used the same tickets to raffle off a flight simulator he was given by a friend, and it went to Steve.

The meeting was adjourned at 8:21

Next Meeting:

The next meeting will be March 6.
