

Wolverines meeting 5/6/2017

The meeting was held at Jerry's house, as the field and road was too wet to allow access.

It was called to order by Jerry at 11:50 AM

There were 8 present.

Linda L. served a special zucchini bread which Dave B. raved about and got samples and a recipe!

Bill W. served hot dogs with chili sauce and all the trimmings.

Treasurer's Report:

Jerry read the treasurers' report, our lease is paid for 2017

Funds are now \$ 1957, left for the year.

Secretary's Report:

Dave B. read minutes from the last meeting.

General Discussion:

Old Business:

Fly-In Plans:

Jerry Stocking volunteered to donate hot dogs and pop for the fun fly.

We discussed which clubs we can invite, to include East Wings, Diver District Eagles, and Propbusters.

Jerry will contact them and find out how many will come.

Parking is limited so we have to make sure we don't invite too many.

Jerry said he has two planes, a seaplane and a Corsair donated to him by a friend, and they will be refuelled off at the Fun-Fly.

Field Repair:

Our landlord said he will repair the ruts in the road.

New Business:

New Members are Welcomed to the Club:

Ryan & Dave Cadman just joined, along with Wayne Gerheart and Richard Langdon.

Discussion continued on 3D Printers:

In April, we discussed 3D printers, and Dave B. brought in his, but couldn't demo it, because of a broken extruder nozzle, but he explained how it worked and showed a sailplane he has just about completed. There was a bit of indifference in taking on all the complexities of this technology, but Keith H. said it would be great for making battery trays.

50/50:

The 50/50 was not pursued this meeting.

The meeting was adjourned around 1:30.

Next Meeting:

The next meeting would be at the field, on the first Saturday of the month.
